

2020-2021 Housing License Cancellation Request

Please submit this form if you are requesting to cancel the remainder of your housing license. Submission of this form requires both the resident and guarantor signatures and does not guarantee release from financial responsibility of the 2020-2021 housing license terms.

Resident AND Guarantor Acknowledgement

Please read this request form in its entirety BEFORE completing.

I understand that this is a request to cancel the resident's current housing license, and that release from financial responsibility is not guaranteed.

I understand that per section 15 of the 2020-2021 Housing License, the resident and guarantor BOTH remain financially obligated to the Housing License until all cancellation fees have been paid and written approval of release is received.

I understand that if this request to cancel is approved, the student is no longer guaranteed a space in Paca & Tubman Houses. If the resident wishes to return to Paca and Tubman Houses, they must reapply.

I understand that if this request to cancel is approved, and the resident is occupying the space, the resident will be expected to vacate by a specific date and time identified by the Management Office. This vacate deadline will be included in the written cancellation approval notification, and failure to vacate by the deadline will result in additional charges.

WAIVER OF FEE FOR APPROVED CANCELLATION

Students who will be **graduating, studying abroad, or participating in a University approved internship that is more than 50 miles from campus** at the end of the Fall Semester, who submit this form along with required documentation (see previous section) to the Management Office by November 30, 2020, will not be assessed a cancellation fee.

VOLUNTARY CANCELLATION

Authorized "Involuntary" vacancies (e.g. from students graduating, studying abroad, etc.) would be filled **before** vacancies for students voluntarily canceling their License (e.g. they want to live somewhere else, can't afford it, etc.). Vacancies for students voluntarily canceling their Housing License will be filled by the new applicant waiting list in the order that they are received **after** Involuntary vacancies are filled. If a replacement is found, the student would be financially responsible for the cancellation Fee as outlined below.

If a replacement is not found, both the resident and guarantor would remain bound to the terms and conditions of the 2020-2021 License Agreement.
