Choosing a Meal Plan

A guide to choosing a meal plan when living with Paca & Tubman!

Flex Plans:

PICK A PLAN FOR YOUR NEEDS: FLEX DINING PLANS

More than one meal can be used in a meal period.

Meals must be used in a one week period or you will lose them.

Good for one semester only.

- **Unlimited Meals per week with \$50 in Dining Points \$3095**
- **19 Meals per week with \$50 in Dining Points \$2885**
- **14 Meals per week with \$50 in Dining Points \$2600**
- **10 Meals per week with \$50 in Dining Points \$2355**

*Prices for the 2018-2019 academic year

(Please note: Flex dining plans will NOT carry over from week to week. Meals start on Friday mornings and end on Thursday nights. Each meal plan also comes with 4 free guest passes which can be used at any ‘Dining Hall’ location.)

Block Plans:

BLOCK PLANS: Good through the fall and spring semesters

- **100 Meals with \$75 in Dining Points \$1060**
- **75 Meals with \$75 in Dining Points \$855**
- **50 Meals with \$75 in Dining Points \$625**
- **25 Meals with \$75 in Dining Points \$380**

*Prices for the 2018-2019 academic year

(Please note: Block dining plans are for the entire academic year. Meals not used in the fall semester can be used by the end of the spring semester. No meals are lost in a one-week period. If you use all your meals before the end of the year you can buy another Block Plan.)

What Are Dining Points?

Dining points are great when you want something small – usually items costing less than \$5. (Using a full meal to get something that small would not be good use of your meals.) Dining points work as a declining balance/debit account. Additional points may be added anytime on the OneCard website or at the Auxiliary Services Business Office. Unused Dining Points roll over from one semester to the next and year to year, so long you remain a student at Towson University. Another advantage to purchases made using Dining Points: pay no sales tax, a 6% savings!

Meal Cash Allowance

WANT TO OCCASIONALLY DINE IN A RETAIL LOCATION? MEALS HAVE A CASH VALUE SO YOU CAN PAY FOR FOOD IN ALL A-LA-CARTE LOCATIONS!

- If you choose to spend your meals somewhere other than the dining halls, you may ‘exchange’ your meal for a cash value at any of the a-la-carte locations. The cash allowance amount is \$6.00 during all meal periods.
- **For example:** If you were to go to the Susquehanna Food Court during lunch hours and get a slice of pizza, salad and a soda and for a total of \$6.59, you have the option to pay with meals or points. After using one meal (worth \$6.00), you would still owe \$.59 which you can then pay in points. You also have the option of using another meal or cash to make up the difference.
- **Please note:** Unlimited meal plan users will be allotted 1 meal per day to exchange - these meals will not roll over. Let the cashier know at the time of transaction how you choose to pay: using meals, points or cash.

Meal Period Cash Equivalency	
Breakfast (7-11am)	1 meal swipe = \$6.00
Lunch (11am-4:15pm)	1 meal swipe = \$6.00
Dinner (4:15-11:30pm)	1 meal swipe = \$6.00

****MEALS ARE NOT ACCEPTED AT PAWS FROM 10:30 A.M - 4:30 P.M
(FRIDAYS 10:30 A.M - 3 P.M) OR STARBUCKS FROM 8 A.M - 4:15 P.M****
